

We are a busy chiropractic clinic looking for a highly motivated doctor to join our team. We are a multi facility clinic and have been service our local area for 20 years. Excellent training and growth opportunity for the right doctor!

The ideal candidate will have exceptional people skills, a genuine passion for helping others and a teachable attitude. Reliable transportation is a must, as working at each of our offices may be needed. We have a tight knit team, and want to bring someone on that enjoys working in a high energy and purposeful environment.

Main Job Tasks and Responsibilities

Primary Responsibilities:

- Examine patients by reviewing all medical history including any imaging.
- Evaluate patients neuromusculoskeletal systems and the spine.
- Perform manual adjustments to the spine and other articulations of the body.
- Provide a recommended course of treatment.
- Educate patients on quality chiropractic care.
- Maintain accurate case history of all patients
- Documenting details in our computer system (Practice Studio).
- Attention to detail to ensure notes and charges are entered accurately and completely.
- Obtaining and maintain insurance credentials.
- Must have a great attendance record, attend work on time, act and appear professional.

Secondary Responsibilities:

- Educate patients on whole wellness.
- Promote the benefits of other services offered in the clinic.

Requirements:

- Valid Washington state chiropractic license.
- NPI number
- Current malpractice insurance.
- Bachelor degree and Doctor of Chiropractic from accredited college
- Basic computer knowledge: Working knowledge of Microsoft Outlook and Word

We offer competitive wages, excellent benefits and an opportunity to work in a growing office with a wonderful team, for great physicians. We are proud to be the team of physicians for our local area high schools, Olympic athletes, along with professional sports teams, including the Seattle Thunderbirds.
