

Chiropractic Assistant (CA)

Be the heart of the clinic—support doctors, manage patient flow, and deliver the WOW! Experience at every visit.

About the Role

Our CAs are energetic, professional, and patient-focused. You'll create an exceptional front-office experience while supporting clinical operations.

Responsibilities

- Greet patients, schedule visits, and manage charts.
- Educate on care plans and support patient flow.
- Maintain accuracy in billing and documentation.

Qualifications

- Excellent communication and organization.
- Passion for helping others and promoting wellness.
- Prior healthcare or customer service experience preferred.
