

Chiropractor (DC)

Lead with purpose as a Doctor of Chiropractic, helping patients move, perform, and live pain-free through evidence-based care and leadership.

About the Role

Our Chiropractors are leaders in patient care and wellness. You'll provide corrective adjustments, collaborate with rehab and massage providers, and guide patients to long-term results.

Responsibilities

- Deliver high-quality chiropractic adjustments and care plans.
- Collaborate with multi-disciplinary providers.
- Educate patients and drive retention through excellence.

Qualifications

- Doctor of Chiropractic, active or eligible WA license.
- Passion for rehab, sports, or family wellness.
- Exceptional communication and leadership skills.
