

Licensed Massage Therapist (LMT)

Deliver healing therapeutic touch as part of an integrated care team — help patients recover and restore full body function.

About the Role

Our LMTs provide therapeutic massage as part of comprehensive patient care. You'll collaborate with chiropractors and rehab teams to support healing and performance.

Responsibilities

- Perform clinical and injury recovery focused massage sessions.
- Communicate with providers for coordinated care.
- Maintain professionalism, notes, and sanitation standards.

Qualifications

- WA State Massage Therapy License.
- Knowledge of anatomy and injury recovery.
- Team-oriented, dependable, and passionate about healing.
